NACR (www.nacr.com) is a ConvergeOne company and one of the largest Avaya channel partners worldwide. As the leading independent integrator of best-in-class communications, collaboration, and customer interaction solutions, NACR delivers comprehensive sales, consultation, training, and technical support, as well as managed services, maintenance, and repairs. The company works closely with other technology innovators to integrate the latest hardware, software, and applications into end-to-end multivendor solutions for diverse markets.

"As a trusted advisor to businesses, NACR has always delivered expert services to help customers maximize the performance of their communications environments," according to Lyons. "Through the growth of NACR Ovation and our other strategic service offers, our goal is to provide even greater value to customers — meeting their needs for ongoing support as their technology and business needs evolve."

The NACR Ovation portfolio provides one source for customizable and prepackaged managed services — leveraging a proven methodology, two high-tech Network Operations Centers (NOCs), expert tools, and the skills of highly trained, certified professionals to proactively support complex communications infrastructures. The company also has dedicated regional teams in place across the United States to support all sales of NACR Ovation Managed Services.

Lyons is a proven senior executive with more than 25 years of experience in the technology industry and an extensive knowledge of both products and services, including the managed services, consulting, and Internet segments. In addition to his NACR services responsibilities, he is President of the ConvergeOne companies S1 IT Solutions, NorthPark Group, and SimpliCTI, as well as Vice President of Corporate Development at ConvergeOne.

"John has long played an important role in the growth of the ConvergeOne companies, and we are excited about his new role in helping to shape the future of services at NACR," said Roles, NACR President and CEO. "Under his leadership, I know we will continue to excel in meeting customer needs and leading the way in solution integration and support."
