NACR is a leading global integrator of best-in-class communications solutions and services, and a trusted advisor to more than 5,500 customers ranging from small businesses to *FORTUNE*® 100 and global enterprises. The company works closely with Avaya, Microsoft, and other technology innovators to integrate the latest hardware, software, applications, and services into end-to-end multivendor solutions.

"We're thrilled to have Jeff on board, running our sales and support throughout the Pacific Northwest, and leveraging his expertise in attracting and building high-growth teams," said NACR's Clevenger. "He has proven himself an expert in generating sales growth initiatives that open new channels and create new vertical markets and business development activities."
