

ConvergeOne Recognized With NICE 2017 Partner of the Year Award

EAGAN, Minn., July 10, 2018 /PRNewswire/ -- ConvergeOne (NASDAQ: CVON, CVONW), a leading IT services provider of collaboration and technology solutions, has been recognized with the NICE 2017 Partner of the Year award.

ConvergeOne is a leading collaboration services organization trusted by over 9,200 customers, including 61% of Fortune 100 and 44% of Fortune 500 companies. ConvergeOne architects complex enterprise environments to serve clients through its comprehensive engagement model which includes the full lifecycle of services from consultation and design through implementation, optimization, and ongoing support.

NICE is a ConvergeOne Platinum Partner and a global leader in contact center, customer experience analytics and workforce optimization (WFO) solutions. ConvergeOne has been a NICE partner since 1993. ConvergeOne was a Platinum sponsor of [NICE Interactions 2018](#), which was held May 14-16, 2018 and welcomed more than 2,000 attendees.

"We're excited to see ConvergeOne again claim NICE Partner of the Year award for the 4th consecutive year," said Yaron Hertz, President NICE Americas, NICE. "They did this by deploying a comprehensive marketing strategy around NICE advanced solutions. ConvergeOne's strategic focus across the entire sales organization is commendable. Our significant mutual wins exemplify just how successful strong partnerships can be."

"Being honored with the 2017 Partner of the Year award once again by NICE underscores the commitment ConvergeOne has made to design and deliver innovative communication solutions," said John F. Lyons, President, Field Organization, ConvergeOne. "Receiving this award reinforces ConvergeOne's leadership position and reflects our continuing commitment to creating outstanding customer experiences."

About ConvergeOne

Founded in 1993, ConvergeOne is a leading global IT services provider of collaboration and technology solutions for large and medium enterprises with decades of experience assisting customers to transform their digital infrastructure and realize a return on investment.
