

ConvergeOne Expands Cloud, Managed And Professional Services Capabilities With The Acquisition Of WrightCore

Strategic Acquisition Strengthens Commitment to Connect People with Purpose

BLOOMINGTON, Minn., Nov. 3, 2021 [/PRNewswire/](#) -- ConvergeOne, a leading services-led technology solution provider of cloud, collaboration, and digital infrastructure solutions, today announced that it has acquired WrightCore, an industry-leading technology solution provider.

Headquartered in Franklin, Tennessee, WrightCore delivers cloud, managed and professional services across healthcare, education, manufacturing, utilities and financial services industries and is recognized as a customer-centric organization that leads and supports customers on their cloud modernization journey.

"With deep digital infrastructure expertise and a passion for creating differentiated customer experiences, WrightCore is a natural fit with ConvergeOne's portfolio and commitment to our customers", said John A. McKenna Jr., Chairman and CEO, ConvergeOne. "This acquisition will enable ConvergeOne to increase our presence in the southeast United States and advance our leadership position as a single-source provider of transformative cloud solutions, services, and support."

"At WrightCore, our focus has always been on doing right by our customers and our team," said Scott Byers, President and CEO, WrightCore. "Through ConvergeOne's broad reach and diverse partner portfolio, our customers will gain more flexibility coupled with the same great customer service approach they've come to expect from WrightCore. This acquisition also provides our employees with unparalleled professional growth and development opportunities as part of a much larger company. We are thrilled to join the ConvergeOne team."

ConvergeOne serves as a trusted advisor to more than 13,000 customers, including 55% percent of the Fortune 100 and 41% percent of the Fortune 500 customers across the education, healthcare, finance, manufacturing, and energy industries.

About ConvergeOne

ConvergeOne is a proven, services led cloud solution provider that utilizes its intellectual property and unique methodologies to create value for customers and develop progressive solutions that connect people with purpose. Over 13,000 enterprise and mid-market customers trust ConvergeOne to achieve their business outcomes with cloud, collaboration, enterprise networking, data center and cybersecurity solutions. Our investments in cloud infrastructure and professional and managed services provide transformational opportunities for customers to achieve financial and operational benefits with leading technologies. Our 2020 NPS of 71, placing us in the World Class category for the third consecutive year, is a testament to our ability to provide customers with the highest level of customer satisfaction, responsiveness and expertise. ConvergeOne has partnerships with more than 300 global industry leaders, including Avaya, Cisco, IBM, Genesys, Microsoft and AWS to customize specific business outcomes. We deliver solutions with a total lifecycle approach, including strategy, design and implementation with professional, managed and support services. ConvergeOne holds more than 5,600 technical certifications across hundreds of engineers throughout North America, including three Customer Success Centers.
