

CONVERGEONE EXPANDS CUSTOMER MODERNIZATION CAPABILITIES IN THE CLOUD WITH THE STRATEGIC ACQUISITION OF PRIME TSR

BLOOMINGTON, Minn., Dec. 17, 2021 [/PRNewswire/](#) -- ConvergeOne, a customer centric, services-led technology solution provider of cloud, collaboration, and digital infrastructure solutions, today announced that it has acquired Prime TSR, a leading modernization and cloud solutions consultancy.

Headquartered in Chicago, Illinois, Prime TSR specializes in designing and implementing cloud-focused software and data platforms to enable digital transformation for their customers. Their team of experts advise and implement custom cloud-based applications and data platforms for Fortune 1000 companies in the healthcare, insurance, and professional services markets. Over the past year, Prime TSR has earned five Amazon Web Services (AWS) Competencies: DevOps Competency, Migration Competency, Solution Provider, AWS Lambda, and Amazon EC2 for Microsoft Windows Server.

"This acquisition is an ideal addition to the ConvergeOne portfolio and represents a natural progression in our ongoing strategy to deliver innovative, cloud-based solutions to our customers," said John A. McKenna Jr., Chairman and CEO, ConvergeOne. "The Prime TSR team shares our focus and commitment to deliver modernization solutions that solve complex IT business challenges. I am thrilled to welcome Prime TSR to the ConvergeOne team."

"At Prime TSR, we empower our customers to realize their business outcomes by untangling their most challenging IT circumstances," said Eugene Khazin, Principal & Co-Founder, Prime TSR. "As part of ConvergeOne, we are now able to offer greater value to our customers through a nationwide market presence, a strategically growing portfolio of capabilities, and a shared vision for connecting people with purpose." Josh Davidson, Principal & Co-Founder, Prime TSR, added, "Together, ConvergeOne and Prime TSR will create innovative solutions for our customers that shape the future of cloud, collaboration and digital infrastructure technology. We are excited to join ConvergeOne."
